Board of Directors
Southeast Kansas Library System
Iola, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the Southeast Kansas Library System, as of and for the year ended December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note C; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note C of the financial statement, the financial statement is prepared by the Southeast Kansas Library System on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note C and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Southeast Kansas Library System as of December 31, 2020, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Southeast Kansas Library System as of December 31, 2020, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note C.

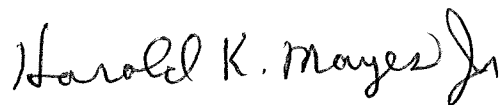

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditure-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, (Schedules 1 and 2 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note C.

Prior Year Comparative

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statements of Southeast Kansas Library System as of and for the year ended December 31, 2019 (not presented herein), and have issued our report thereon dated August 25, 2020, which contained an unmodified opinion on the basic financial statement. The 2019 basic financial statements and accompanying report are not presented herein, but available in electronic form from the web site of the Kansas Department of Administration at the following link <http://admin.ks.gov/offices/oar/municipal-services>. The 2019 actual column (2019 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended December 31, 2020 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2019 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2019 basic financial statement. The 2019 comparative information was subjected to the auditing procedures applied in the audit of the 2019 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2019 basic financial statement or to the 2019 basic financial statements itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2019 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2019, on the basis of accounting described in Note C.

The accompanying notes are an integral part of this statement.

SOUTHEAST KANSAS LIBRARY SYSTEM

NOTES TO FINANCIAL STATEMENT

December 31, 2020

NOTE A. MUNICIPAL REPORTING ENTITY

The Southeast Kansas Library System is a municipality operating within the State of Kansas. The entity receives local, state and federal aid, and then distributes both monies and material to various member libraries in Kansas. These financial statements reflect the Southeast Kansas Library System (primary government). The System's financial statements include all funds over which the Board exercises financial responsibility. Financial responsibility includes appointment of governing body members, designation of management, the ability to significantly influence operations and accountability for fiscal matters. There are no related municipal entities to the Southeast Kansas Library System. The member libraries are independent libraries with independent boards.

NOTE B. REGULATORY BASIS FUND TYPES

The accounts of the System are organized and operated on the basis of funds. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The System potentially could have the following types of funds.

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Funds – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specific purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of major capital facilities or equipment. The System did not have any funds under this category for the current year.

Capital Project Fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment. The System did not have any funds under this category for the current year.

Business Fund – funds financed in whole or part by fees charged to users of goods or services (i.e. enterprise and internal service funds etc.). The System did not have any funds under this category for the current year.

Trust Fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipality reporting entity scholarship funds, etc.). The System did not have any funds under this category for the current year.

Agency Fund – funds used to report assets held by the municipal reporting entity in purely a custodial capacity (payroll clearing fund, county tax collection accounts, etc.). The System did not have any funds under this category for the current year.

NOTE C. BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligations against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than mentioned above.

SOUTHEAST KANSAS LIBRARY SYSTEM

NOTES TO FINANCIAL STATEMENT

December 31, 2020

NOTE C. BASIS OF ACCOUNTING - continued

Southeast Kansas Library System has approved a resolution that it is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

NOTE D. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no budget amendments in the current year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

Adjustment for Qualifying Budget Credits – Municipalities may use this line item for any budgeted fund. The adjustment would be a positive amount. All budget adjustments must be authorized by Kansas statutes. Examples include: expenditure of federal grant monies, gifts and donations, and receipts authorized by law to be spent as if they were reimbursed expenses.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, fiduciary funds, permanent funds, and the following special purpose funds:

Apple Grant

Digital Library

Spending in funds which are not subject to the legal annual operating budget requirements is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

SOUTHEAST KANSAS LIBRARY SYSTEM

NOTES TO FINANCIAL STATEMENT

December 31, 2020

NOTE E. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the system. The statute requires banks eligible to hold the System's funds have a main or branch bank in the county in which the System is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the bank to pledge securities for deposits in excess of FDIC coverage. The System has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the System's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The System has no investment policy that would further limit its investment choices. The rating of the System's investments (if any) is noted above.

Concentration of credit risk. State statutes place no limit on the amount the System may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The System's has no investments other than money markets and certificates of deposit.

Custodial credit risk – deposits: Custodial credit risk is the risk that in the event of a bank failure, the System's deposits may not be returned to it. State statutes require the System's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All bank deposits were legally secured at December 31, 2020.

At December 31, 2020, the System's carrying amount of deposits was \$410,507.42 and the bank balance was \$435,102.09. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$250,000.00 was covered by federal depository insurance and \$185,102.09 was collateralized with securities held by the pledging financial institutions' agents in the System's name.

Custodial credit risk – investments: For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the System will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments be adequately secured. The System had no such investments at year end.

NOTE F. INTERFUND TRANSFERS

Operating transfers were as follows:

<u>From:</u>	<u>To:</u>	<u>Statutory Authority</u>	<u>Amount</u>
General Fund	Capital Improvement	K.S.A. 72-6428	\$ 2,000.00

NOTE G. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS

Other Post-Employment Benefits: Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the System makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the System under this program.

Compensated Absences: The system's compensated absence policy permits full time employees who are eligible for vacation and /or sick leave benefits in varying annual amounts depending on position and length of service.

The System's policy is to record vacation and sick leave expense when paid.

SOUTHEAST KANSAS LIBRARY SYSTEM

NOTES TO FINANCIAL STATEMENT

December 31, 2020

NOTE G. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS- continued

Death and Disability Other Post-Employment Benefits:

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefits payments. The employer contribution rate is set at 1% for the year ended December 31, 2020.

Other Post Employment Benefits: Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the System makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured, There is no cost to the System under this program.

Compensated Absences: The System's compensated absence policy permits full time employees to be eligible for vacation and sick leave benefits in varying annual amounts depending on position and length of service.

The System's policy is to record vacation and sick leave expense when paid.

There is no accrual for vacation or sick leave in these financial statements. The amount if accrued for vacation and sick leave would be immaterial.

Operating Leases with Related Party: The System leases building space form the Iola Public Library. The rent expense for 2020 was \$22,230.00 plus \$7,873.68 for utilities, janitorial care, lawn care, and trash based on the percentage of the facility used by the System.

Operating agreement: The System has an agreement with a management company to support an automated library circulation system. Under the terms of the agreement, there is an annual support and hosting fee of \$30,240.00 for as long as the System choose s to remain with the company.

The System also rents/leases copiers, postage machine and internet service. The cost of leases for the year ended December 31, 2020 were as follows:

	Expenses 2020	Due in subsequent years		
		2021	2022	2023
Copies	\$ 1,509.96	\$ 1,509.96	\$ 1,383.48	\$ 1,258.30
Mail Machine	1,827.00	1,827.00	1,827.00	913.50
Internet	16,620.00	16,620.00	16,620.00	4,155.00
	<u>\$ 19,956.96</u>	<u>\$ 19,956.96</u>	<u>\$ 19,830.48</u>	<u>\$ 6,326.80</u>

The System is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters, for which the System carries commercial insurance. Settlement of claims has not exceeded commercial insurance coverage in any of the last three fiscal years.

SOUTHEAST KANSAS LIBRARY SYSTEM

NOTES TO FINANCIAL STATEMENT

December 31, 2020

NOTE H. DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description - The System participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publically available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 S Kansas, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

Contributions. KSA 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1 and KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.61% for the fiscal year ended December 31, 2020. Contributions to the pension plan from Southeast Kansas Library System were \$60,014.00 for the year ended December 31, 2020.

Net Pension Liability

At December 31, 2020, the System's proportionate share of the collective net pension liability reported by KPERS was \$577,116. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2019, which was rolled forward to June 30, 2020. The System's proportion of the net pension liability was based on the ratio of the System's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE J. OTHER INFORMATION

Ad Valorem Tax Revenue: The determination of assessed valuation and the collections of property taxes for all political subdivisions in the State of Kansas is the responsibility of the various counties. The County Appraiser's office annually determines assessed valuation and the County Clerk spreads the annual assessment to the taxing units. One-half of the property taxes are due December 20 and distributed to the System by January 20 to finance a portion of the current year's budget. The second half is due May 20 and distributed to the System by June 5. The System draws available funds from the County Treasurer's office at designated times throughout the year.

Reimbursed Expenses: The System records reimbursable expenditures in the fund that makes the disbursement and records reimbursement as revenue in the same fund. For purposes of budgetary comparisons, the reimbursements are shown as adjustments for qualifying budget credits.

SOUTHEAST KANSAS LIBRARY SYSTEM

NOTES TO FINANCIAL STATEMENT

December 31, 2020

NOTE J. OTHER INFORMATION - continued

Compliance with Kansas Statutes: References made herein to the statutes are not intended as interpretations of law, but are offered for consideration of the State Director of Accounts and Reports and interpretation by the legal representative of the municipality. Management is not aware of any non-compliance issues.

The Southeast Kansas Library System adopts a budget that combines General, State Aid and Talking Book Outreach in one fund. However, for financial statement purposes they are shown separately. Budget amounts are listed below for reference only.

	Adopted Budget	Budget Credits	Total Budget
\$	1,802,002.00	\$ 0.00	\$ 1,802,002.00
General Fund Budget	State aid Budget	Talking Book Outreach Budget	Total Budget
\$ 1,635,704.08	\$ 50,224.72	\$ 14,043.00	\$ 1,699,971.80

Grant Programs: The System receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass through aid. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit. Any disallowed claims resulting from such audits could become a liability of the System. However, in the opinion of management, any such disallowed claims will not have a material effect on the financial statements of the System at December 31, 2020.

Use of restricted versus unrestricted unencumbered cash and receipts: The System uses restricted unencumbered cash and receipts first when both restricted and unrestricted unencumbered cash or receipts are available.

COVID-19

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the System’s financial condition, liquidity and future results of operations. Management is actively monitoring the global and local situation on its financial condition, liquidity, operations, suppliers, industry and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the System is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition or liquidity for fiscal year 2020. Future potential impacts may include decrease in certain revenues, etc. and disruptions or restrictions on the System’s ability to operate under its current mission and operating model.

NOTE K. SUBSEQUENT EVENTS

The System evaluated subsequent events through May 10, 2021 the date the financial statements were available to be issued. The effect of the Covid-19 virus on the operations of the System has not been fully determined at this time but it has had affected the daily operations of the System.
